

Colonial Chemical Meets Compliance Demands with SiteHawk MSDS Authoring Services

Nashville, TN (May 23, 2011) – SiteHawk, the leading MSDS authoring and management provider, announced today that Colonial Chemical has selected SiteHawk as its MSDS authoring services provider.

Founded in 1987, Colonial Chemical is a privately-held company that manufactures green, environmentally-safe surfactants. Colonial focuses on developing safe and innovative products while catering to an array of customers in the personal care, industrial and lubrication markets.

“I’m not sure what I would have done without SiteHawk,” stated Kevin Moses, Regulatory Coordinator for Colonial Chemical. “I am very pleased to be working with such a wonderful group of people who are really on top of the list for customer service.”
