

DISTRIBUTION

Deliver SDSs to new or existing customers through email, fax or postal mail.

DATA EXCHANGE

Integrate SiteHawk Communicator with other systems.

FETCH

Create links to retrieve data.

HOSTING

Deliver cloud-based self-service access to SDSs managed by SiteHawk.

QRy

Create and attach QR codes to access SDSs from mobile devices.

CHEMICAL INVENTORY SERVICES

Know what materials are on site and deliver the benefit of professional inventory services. SiteHawk services also reconcile SDS inventory lists with SiteHawk Communicator and acquire SDSs necessary for compliance.

AUTHORING SERVICES

Author unique, compliant and professional SDS documents for multiple regulations.
