

DISTRIBUTING YOUR SDS DOCUMENTS

Automated and Self-Service Delivery

SDS Authoring

SiteHawk authors SDS documents or clients submit SDSs to SiteHawk for indexing and processing.

SiteHawk Communicator

SiteHawk collects, validates and activates SDS data.

SiteHawk Hosting

SiteHawk enables self-service access to your product SDSs through designated portals or websites.

Customer Data

Systems that house purchasing information (procurement/ inventory) submit delivery data to SiteHawk for customer distribution.

SiteHawk Distribution

SiteHawk Distribution utilizes logic to determine if and how new SDSs should be distributed to your clients.

SDS Delivery

Customers receive SDSs via email, fax or postal mail.
